

THE PASSION PLAY IN OBERAMMERGAU
PLUS
A CRUISE ON THE DANUBE RIVER
20-30 SEPTEMBER 2020

The Passion Play was first performed in 1634 as a result of the vow made by the townspeople in Oberammergau that if God spared them from the Black Plague they would in exchange produce a play every ten years. The Play is a dramatic recreation of Jesus' passion, covering the days of His life from His entrance into Jerusalem to His passion and resurrection. The Play is an open air production and involves over 2,000 people including actors, singers, musicians and technical support-all are residents of Oberammergau.
